- I hope you enjoy the picture of our rescue kittens we adopted in July from the Aberdeen Animal Shelter in July. My husband named them Java and Jitters because he is a latte fan. The kittens are growing & playing and enjoying their new home. If you are interested in adopting a rescue cat or dog contact Aberdeen Animal Shelter, 360-537-3382.
- Each day, and the living of it, has to be a conscious creation in which discipline and order are relieved with some play and pure foolishness. *-May Sarton*

- I have been accepted as a provider for Regence. I am also a provider for L&I, Providence Employee Assistance, APS Employee Assistance Program. I am a provider for the following insurance: Aetna, Community Health Plan, First Choice, Molina, Premera, Uniform,
  - September 1<sup>st</sup> my new hourly rate is **\$80.00** per hour.
  - Please return all loaned materials in a timely manner. I have people waiting for the books and videos.
  - I laughed and cried watching “**The Bucket List**” this summer. This is a wonderful movie about 2 men from different backgrounds learning to live and love in a limited time. It’s wonderful to see that it’s never too late.
  - As **Grandparents Day** approaches, plan a special day for your loved ones. Incorporate some of these activities to help honor the patriarchs and matriarchs in your family: Play it up. Gather the group for some favorite board games for young and old alike. Sit back and listen. Initiate story-telling time and allow grandpa and grandma to share stories of the past. Construct a family tree. Educate the young ones on your family’s lineage while learning about generations passed. Compile a family album. Let the children decorate pages as the adults identify and date family photos for multigenerational keepsake. Pass the baton. Use this day to learn to make the famous fudge only grandma can make, or pass on other special talents such as quilting, knitting or the art of stamp collecting.
